SUMMARY

Hello! I'm a self-taught programmer with a relentless curiosity for exploring new technologies and a passion for creating innovative projects. With my experience in various programming languages, I have developed Android games and built stunning websites. Let's collaborate and turn your ideas into reality while satisfying our shared craving for creativity. I'm excited to embark on this journey with you!

EXPERIENCE

Computer science teaching assistant

09/2023 - 12/2023

Brunel University, London

- My role was to help the lecturer/professor to improve the learning experience for students during lab sessions.
- I interacted with students clearing their doubts and helping to find answers for designing.
- I aided the lecturer by helping students and managing the sessions smoothly, as well as helping students understand the lab sessions better .

Python Developer

08/2023 - 09/2023

Abriz Al Nader, Jeddah

While I was working as a sales assistant at Abriz-Al-Nader I found a solution to a problem the company was facing. So, I developed a software solution for the company which helped them manage expenses amongst the managers in different departments.

- 80% less loss of expense data.
- 20% drop in recurring expenses.

Sales Associate

06/2023 - 08/2023

Abriz Al Nader, Jeddah

As a sales assistant, with a passion for meeting new people and building lasting relationships, I was able to bring in a steady stream of new customers.

- Collaborated closely with seniors to gain knowledge.
- 10% growth in customer acquisition.
- 15% growth in sales.

Cashier

10/2021 - 03/2022

Michael Wisher, London ↗

I worked as a till manager at various stadiums across London. I managed the tills and made sure the customers were receiving their desired items. I learned how to communicate in a high-paced environment.

EDUCATION

Computer Science

09/2021 - 05/2024

Brunel University London - BSc Hons

Currently pursuing a bachelor's honors degree in Computer Science. I completed my second year with first division.

Expecting a first division in my final year.

Seth Anandram Jaipuria School - ISC

Graduated ISC board with 92%

Graduated ICSE board with 91.6%
